

NEW CHURCH IN FULTON

DENNY STREET M. E. CHURCH, NEW BUILDING.

HAPPENINGS OF
WEEK IN FULTON

Denny Street Church Members
to Break Ground for New
Building.

PLANNED IT TWO YEARS AGO

People Want Park in Far East
End—Personals and
Briefs.

The members of Denny Street Methodist Episcopal Church will break ground this week for their new edifice. For two years or more they have been planning for a larger building, and their hope will be realized in a short time. The plan of the official building of the church is to erect a large Sunday school room in the rear of the present building to be used as a Sunday school room and place of worship while the new church is being constructed. Upon completion of the church proper the two buildings will be connected by double folding doors in order that the two buildings may be turned into one when necessary.

Architect West has designed one of the most modern yet convenient churches erected in the city. The erection of the edifice is in the hands of the following committees: E. M. Bell, superintendent of the school; A. W. Rogers, Lewis Hensen, George Butler, J. Doe Sears and Rev. C. H. Galloway, pastor. When the Sunday school enters its new home the building will be free of debt. The Sunday school and members of the church will then turn their efforts to raising a fund to free the main building from debt by the time it is completed.

Need a Park.
For many years Fulton has been promised a park by the City Council. At times the hopes of this section have seemed to be about realized. Only a few days ago a committee from the city legislature in a big automobile touring car passed through Fulton looking at proposed sites.
Fulton and its suburbs have grown and made wonderful progress in the last few years. There is hardly a house in this section now for rent. A number of new homes have been built on Fulton Hill during the past year.
Said a prominent real estate dealer a few days ago: "The East End (Fulton) is bound to grow. Property in the West End is by far too much in value for the middle and working classes. A site for a park could be bought now at a reasonable figure, whereas in a few years the same property would cost double or more."

R. A. Entertainment.
Henrico Council of Royal Arcanum at its meeting Thursday night authorized the good of order committee of the council to prepare an entertainment at a near date for the members and their friends.

Reorganize Choir.
The choir of Denny Street Methodist Episcopal Church was reorganized Friday night with the following members: W. H. Reeves, organist; Misses Lillie Nelson, Blanche Leonard, Lannie Bell, Elford, Ruth Avery; Messrs. Charles E. Mosby and Leroy Smith.

Personals and Briefs.
Squire James E. O'Grady, for many years clerk to the Board of Health, but who resigned some months ago on account of ill health, has accepted a position as night clerk with the Chesapeake and Ohio Railroad at the Fulton round-house.
The Rev. George H. Sheriff, pastor of Four-Mile Creek Baptist Church, returned yesterday from King William

HIDDEN DANGERS.

Nature Gives Timely Warnings.
No Richmond Citizen Can Afford to Ignore.

DANGER SIGNAL No. 1 comes from the kidney secretions. They warn you when the kidneys are sick. Well, kidneys excrete a clear, amber fluid. Sick kidneys secrete a thick, pale, foamy, or a thick, red, blood-stained urine, full of sediment and irregular of passage.
DANGER SIGNAL No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Richmond proof:

Mrs. S. R. Reeves, 3308 East Marshall Street, Richmond, Va., says: "My husband gave a statement in 1892 giving Doan's Kidney Pills his hearty endorsement. The most annoying symptom of his complaint was an irregular action of the kidneys, causing him much annoyance. He had scarcely any control over the secretions, and had a constant desire to pass them, and this trouble forced him to rise many times during the night. He used a number of remedies for such ailments, but got no relief whatever. Doan's Kidney Pills happened to be brought to his attention, and he went to Owens & Minor Drug Co. and procured a box. This helped him from the first, and it was only a short time before he received a complete cure. I am glad at this time, July 28, 1907, to say that Mr. Reeves has not suffered any recurrence of the complaint during the years that have since elapsed."
For sale by all dealers. Price 50 cents. Foster-McIlhenny Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
